

JOHNSON ARRIVES AT SAN REMO

BY HUGH MUIR
(STAFF CORRESPONDENT, N. SERVICE)
SAN REMO, ITALY, April 22.—Robert Underwood Johnson, the American ambassador to Italy, has arrived here to attend the Inter-Allied supreme council as an observer. He will report to Washington upon the decision reached by the council.

There is no lessening of the breach which exists between Premier Lloyd George and Premier Millerand over German matters, especially the size of the army which the Ebert government will be allowed to maintain.

The British premier favors concessions to Germany, maintaining that they are necessary in order to insure the execution of the Versailles treaty by the German government. Mr. Lloyd George is said to be convinced that Germany is too weak, both economically and militarily, to be a menace to France.

Y. W. C. A. Sets Stage for Community Drama

"ALL the world's a stage" is proving true in a most literal sense. The Y. W. C. A. is one of the latest exponents of the drama, and its community pageants, held in towns and cities all over the country, from Dallas to Denver and from Georgia to Maine, have been a most effective means of arousing community spirit and civic pride. Dress-makers and draftsmen, actresses and artists, carpenters and cornetists unite in putting on the performances.

All of the stages of the Y. W. C. A. theatres are not as small as this model which Mrs. Donald Pratt, of the Pageantry Department, is building. In the natural amphitheatres from one hundred to two thousand actors take part. Miss Hazel MacKaye, sister of Percy MacKaye, of the Y. W. C. A., is now writing the plot for a Festival to be given at the Sixth Convention of the Young Women's Christian Associations of America in Cleveland, on the week of April 13, at which twenty-five hundred delegates from this and foreign countries are expected.

Since Hammond has imposed the wheel tax, Whiting has been more liberally patronized with truck traffic. A representative from the Portland Cement Co., at Buffington, visited the city yesterday and said they would be willing to furnish cement to repair roads torn up by the heavy traffic if they are allowed to continue shipping their cement in this manner.

MAY NOW LIMIT LOADS ON TRUCKS

(SPECIAL TO THE TIMES)
WHITING, IND., April 22.—The city council of Whiting are planning to draw up an ordinance defining and limiting loads upon vehicles passing through Whiting.

The heavy trucks passing through the city cause a continuous thud. In addition to being hard on the paving, they shake the buildings along and near the main thoroughfare to such an extent that plate glass windows have been loosened and in some cases broken.

Since Hammond has imposed the wheel tax, Whiting has been more liberally patronized with truck traffic. A representative from the Portland Cement Co., at Buffington, visited the city yesterday and said they would be willing to furnish cement to repair roads torn up by the heavy traffic if they are allowed to continue shipping their cement in this manner.

"While conditions remain as they are at present, failure to ship stops contracting work, and many other things," he said, and they are working under great difficulties at present to get the material out.

RECOVERS HIS AUTO

H. Baber, proprietor of the Parisian Style Shop in Gary who had his automobile stolen over two months ago, learned yesterday that the machine had been recovered at Joliet, Ill. Two young men and a woman are being held.

In an 'Around —GARY—

SARA WAS SENT HOME

Gary high school officials believe in reducing the high cost of living but they also hold it to certain restrictions. When the overall crisis hit Gary, 11 year old Sara Louise Hood, daughter of Mr. and Mrs. Harry Hood, 552 Washington street, suffered in a charming little pair of overalls and left for her studies at the Emerson school.

Teachers and pupils of the sixth grade gasped when Sara skipped into the school room as she was quite a diversion. Her more or less charming apparel was causing so much commotion that something had to be done quick, so Principal Spaulding ordered her back home to get back into her dresses no matter how costly they may be. The senior girls have taken to the fad of gingham dresses.

SUICIDE IS IDENTIFIED

Information reached Gary yesterday that the remains of the suicide found in a field near Wanatah, Ind., several days ago had been identified as the body of Albert Loach, one of the four handouts who escaped from the Toledo, O. jail last Christmas, shooting the sheriff in their attempt to gain freedom. Loach had shot himself in the mouth with a revolver. When all other means of identification failed, his identity was revealed by the finger print system.

WILL START THE SEASON SUNDAY

Members of the Gary Rod and Gun Club will start the ball rolling for the 1920 season at the Virginia street grounds Sunday afternoon when they will hold their first shoot of the season. They ask all members to be present. Two new traps have been purchased by the club and they are now being installed. The club expects to hold its first registered shoot during the month of September.

Twin City News Notes

Women of the community will be invited to join a sewing circle which is soon to be organized for the express purpose of making little garments for the many small charges at the Carmelite orphanage, at Calumet. Much discussion has been held of late regarding the need of an organization which could lift the burden to a great extent from the few Sisters who must take care of and minister unto more than forty little girls, the boys being housed in a institution in Hammond, where the public there is very generous in their aid toward the Sisters and the orphans. The movement here will be welcomed by the institution heads and much material comfort can be brought about by having the children dressed independently of the time the Sisters can ill afford to give to so many. Generous hearted people from time to time contribute materials and garments that can very well be made over into serviceable raiment. The first meeting was held at Mrs. Jesse Dewey's home in 14th st., Wednesday afternoon. There will be another meeting very soon, announcement of place to be made later.

Mrs. Augusta Aldrin, a resident of Indiana Harbor or the past seventeen years, died at the family residence, 2807 Ivy st., yesterday afternoon. The deceased was the widow of Mr. Alfred Aldrin. Pneumonia was the prime factor which brought about the demise, although the woman was in the advanced age of 71 years. Six sons and one daughter are left to mourn her loss. They are: Albin, Axel, Eric, Eugene and Paul, and Mrs. Hilma Carlson. The funeral services have been set for tomorrow at the house at 1 o'clock and at the Swedish Mission Church, corner of 12th st. and Grapevine at 1:30 o'clock. Interment will be at Oak Hill cemetery, Hammond.

The Twin City Knights of Columbus are entertaining the ladies this evening and will early dispose of their regular routine of business so as to permit the social features of the evening to progress without delay. All those eligible to be present are urged to do so.

The committee appointed under Mrs. Ben Reese to promote further interest in the New World Movement as a part of the Baptist faith profession of this city, enlarged its scope of meeting as arranged for last evening and instead of meeting as a collective committee, invited the members of the entire church to participate in a basket picnic supper and to meet Dr. Schultz, joint secretary in the New World Movement, who came from Goshen, Ind., and talked in the interests of the movement, greatly appreciated by all those fortunate enough to hear him. The committee meeting necessarily postponed from that evening will be held tomorrow evening at 8 o'clock in the church parlors and with an urgent plea that all members of the committee be present to arrange for plans which must be promptly commenced.

Mrs. J. P. Bedford, Miss Ruth Wirtner and Paul Wirtner have returned to this city from Michigan City, where the golden wedding celebration of Mr. and Mrs. Nicholas Wirtner was held and where more than thirty-five immediate members of the family from that city and outside towns were present. The couple were former pioneers residents of LaPorte, Ind. Mr. Wirtner being a Civil War veteran and 75 years of age. Among others present were Mr. and Mrs. Daniel Wirtner of LaPorte, Mr. and Mrs. John Wirtner of the same city, Mr. and Mrs. John Hock of Michigan City, Mr. and Mrs. Clarence McGuire from Summit, near Michigan City. Most of those present had their families with them. One a grandchild of six weeks was present with its parents. The affair was a most enjoyable one and a sumptuous spread served.

John Steel, former resident of this city and well known in mill circles, with his residence now at South Deering, is at present quite ill at St. Luke's hospital in Chicago where he is under medical and X-Ray observation for a malignant stomach derangement. Mrs. Fred Black was in to visit the patient yesterday.
